GLORY TO HIS NAME!

THIS ONE IS MINE!

A PATH THROUGH THE JUNGLE 2011 VACATION BIBLE SCHOOL

Please be in prayer for our V.B.S. that will take place May 24-27, 2011. Bro. Mike Morrissey is already pulling in church members to help him with the planning and implementation. Our people are very excited about being able to help.

We will be bringing in most of the children by walking them from their neighborhoods nearby the church. We'll have an award program to try to reach parents. We expect many to be saved!

INTERNATIONAL BAPTIST CHURCH

Prayer Requests

- > Our church is in need of a generator to compensate for the frequent "brown outs" (i.e. power outages) that take place this time of year. A generator to meet our needs will cost about \$5,000.
- > Wisdom as we move toward starting a Bible institute to begin training our members and those whom God is calling to the ministry.
- > That God will raise up more labourers both here and from abroad to help us to expand the work of the ministry.
