6 MONTH CELEBRATION
JULY 17, 2011
MANOK INASAL & RICE AFTER THE A.M. SERVICE!

The devil fought, but God had the victory! We learned on Saturday that there would be a city-wide power outage all day Sunday. This didn't surprise us, and, well, we'd get to finally use that generator.

Sunday morning the generator's radiator sprang a leak. Though we made attempts to make some use out of it, right before the preaching, the belts broke. However, this didn't stop us from going on with the service. The combined attendance between adult and child services was 217 in the morning with 15 baptisms!

Our men worked in the afternoon to replace the radiator and belts. We had the generator working just before the evening service. From the 114 in attendance, we saw another 5 baptized. This gave us our highest 1-day baptism since we started, in addition to the highest morning and evening attendances.

TO GOD BE THE GLORY!
