

Gather & Transfer Ministry

Our new ministry is off to a great start! Our two routes have provided a place for some of our members to continue in their Christian growth, as they have become responsible for reaching and growing others.

This ministry was responsible for 99 people attending on our anniversary Sunday. Many who were reached the first two weeks are already finding their own way to church. Please continue to pray, as we want to be able to purchase other tricycles. We can buy a motorcycle and sidecar like this for about \$1,600. We'd also like to purchase a jeepney to help with this ministry.

2012 Challenge

Our members are excited about our 2012 Challenge—a year-long program for our church with several events to increase soul winning and discipleship. Even some of our team young people have gotten excited about going soul winning like never before and are seeing God use them. Our next update will feature many who have already completed some of the challenges.

VISIT WWW.IBCDUMAGUETE.COM TO SEE OUR FIRST YEAR RECAP VIDEO!

Pictured below is the barber of Bro. MacRae, Bro. DeMolive, and his sons. Recently Bro. MacRae was getting his haircut, and the barber recognized our church logo on the shirt he was wearing. He expressed an interest in bringing his entire family to our church.

This man lives a good distance from our church, well off the beaten path. But true to his word, he brought his family Sunday morning; they were saved and baptized! He lives in an area we've already targeted as a place to start one of five Bible studies before July. Please pray that this family will become faithful to church and that he will be able to help us get a Bible study and eventually a church started in the place where he lives.

ANSWERED PRAYER!

Helen Amarin was saved at International Baptist Church and comes faithfully with her granddaughter Felicity. Helen is a soul winner! She recently told Mrs. DeMolive that she is so happy to go soul winning because she does not have money to give to the church, but she can win souls.

This past Wednesday evening, we took prayer requests, and Helen asked that we pray for her husband to be saved. He came on our anniversary Sunday and was both saved and baptized! God answers prayer!
